## Fellowship Program with Operative Workshop

**Date: 3<sup>rd</sup> & 4<sup>th</sup> October, 2026**

**Venue: The Oxford Medical  
College, Hospital, & Research  
Centre**

# DAY 1 : 03/10/2026

**Registration: 8:00 - 8:30 am**

| Session                    | Topics                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Fundamentals of Proctology | <ul style="list-style-type: none"> <li>Anorectum + Anal Canal Mapping (musculature, hidden chamber, vascular mapping of haemorrhoid)</li> <li>Clinical Examination - Various positions, Systematic 3-step DRE, Office/Video Proctoscopy</li> <li>Local Anaesthesia in Proctology (SEPTA Block, Pudendal, Sakada, Bacon's, Nivatvongs, Intradermal Methylene Blue)</li> <li>Ano Rectal Problems in Infants and Children</li> <li>Colo-Rectal Surgery in Rural Set up</li> </ul> |
| Imaging                    | <ul style="list-style-type: none"> <li>Perianal Ultrasound in Proctology</li> <li>Role of MRI Fistulography in Fistula in Ano</li> </ul>                                                                                                                                                                                                                                                                                                                                       |
| Haemorrhoids               | <ul style="list-style-type: none"> <li>Office Procedures (Sclerotherapy, Rubber Band Ligation, Infrared Coagulation)</li> <li>Open Haemorrhoidectomy</li> <li>MIPH</li> <li>Chivate's Procedure &amp; modifications</li> <li>Laser Haemorrhoidopexy</li> <li>Haemorrhoids: - Specific situations, Complications &amp; Management of Recurrence</li> </ul>                                                                                                                      |
| Anal Fissure               | <ul style="list-style-type: none"> <li>Pathophysiology &amp; Medical Management,</li> <li>Wound cover following Fissurectomy</li> <li>Laser LIS</li> <li>Recurrent Fissures, Complications of Sphincterotomy</li> </ul>                                                                                                                                                                                                                                                        |
| Colonoscopy                | <ul style="list-style-type: none"> <li>How to do Colonoscopy? Surgeon's perspective</li> <li>Colonoscopy live demonstration</li> </ul>                                                                                                                                                                                                                                                                                                                                         |

**Fellowship viva at 6:00 pm followed by Gala Dinner**

# DAY 2 : 04/10/2026

**Session begins at 8:30 am**

| Session                    | Topics                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Pilonidal Sinus            | <ul style="list-style-type: none"> <li>Understanding Pilonidal Disease - Aetiology, Imaging, Classification and Different Flap Techniques</li> <li>Minimally Invasive Techniques (EPSIT, VALAPS, Laser, LEPSIT etc)</li> </ul>                                                                                                                                                                                                                                                                                      |
| Rectal Prolapse            | <ul style="list-style-type: none"> <li>Chivate's Sacro Rectopexy</li> <li>ODS and STARR</li> <li>Anal Structure - Stricturoplasty</li> <li>Lap/ Rectopexy</li> </ul>                                                                                                                                                                                                                                                                                                                                                |
| Invited Talks              | <ul style="list-style-type: none"> <li>Lap/Robotic Colo Rectal Surgery: Scenario in Chhattisgarh</li> <li>TMIS (Simplified LIS) for Fissure in Ano</li> <li>Cultural Wisdom: Applied in Current Surgical Practice</li> </ul>                                                                                                                                                                                                                                                                                        |
| Fistula-in-ano and abscess | <ul style="list-style-type: none"> <li>Crypto-Glandular Theory, Pathogenesis, Classification</li> <li>Anal Stenosis V/S Anal Structure</li> <li>Management of Ano-Rectal Abscess -</li> <li>Fistulotomy, Fistulectomy + Primary Sphincter Repair (AWR/PSR)</li> <li>LIFT, SLOFT, use of Setons</li> <li>What's important in Fistula Management and Role of LASER in Fistula and its Limitaions</li> <li>Laser Fistula Surgery</li> <li>VAAFT, FILTEC</li> <li>Recurrent and non-cryptoglandular Fistulas</li> </ul> |

**Closing ceremony at 1:00 pm followed by lunch**

**NOTE: Postgraduates who shall appear for exams before December 2026 are eligible for the Fellowship.**

## HIGHLIGHTS

- Fellowship (FISCP) certificate
- Live surgical workshop
- Detailed stepwise description and discussions of various coloproctology procedures
- Panel discussions and scientific deliberations by eminent faculty from all over India
- Complimentary access to ISCP fellowship exam resources

## ISCP OFFICE BEARERS

### Founder President

Late Dr. Shantikumar Chivate

### President

Dr. Laxmikant D. Ladukar

### Secretary

Dr. Neeraj Goyal

### IPP

Dr. Prashant Rahate

### Treasurer

Dr. Jiten Chowdhry

### Academic Convenor

Dr. Dinesh Shah

### Co-Academic Convenor

Dr. V. Ganga Shankar

### Joint Secretary

Dr. Madhukar Pai D.

### Examination

#### Committee

Dr. Madhukar Pai D.

Dr. Anjali Dawle

Dr. Govind Kodwani

Dr. Lakshya Goel

### Vice President

Dr. Shanti Vardhani

Dr. Vikas Jain

Dr. Ankur Bansal

Dr. Ishant Chaurasia

### Advisory Committee

Dr. R. Padmkumar

Dr. Laxmana Sastri

Dr. Shripad Kanekar

**Organising Chairman, World Con 2027**

Dr Harish Gowda

## ORGANISING COMMITTEE

### CHAIRMAN

DR SNVL NARASIMHA RAJU

### DEAN-CUM-DIRECTOR

DR C R JAYANTHI

### DIRECTOR

Y SRINIVASULU

### MEDICAL SUPERINTENDENT

DR V B GOWDA

## DEPARTMENT OF SURGERY

### ORGANISING CHAIRMAN

Dr.Sushil Kumar.B.V.

### ORGANISING

#### SECRETARY

Dr. Vedavathi K Nandini

### ORGANISING

#### TREASURER

Dr.Abhirama R  
Dr Ashwini Priyaa V S

### JOINT ORGANISING

#### SECRETARY

Dr.Suhas N Bhushan  
Dr. Jaisudha S

### EXECUTIVE

#### COMMITTEE

Dr.Lakshmi Prasad N  
Dr.Narasimha Reddy  
Dr. Chandan L

### REGISTRATION &

#### RECEPTION

Dr. Hamsa P  
Dr Yathish K

### CULINARY COMMITTEE

Dr. Sheeta M N  
Dr. Vinutha S R

### STAGE COMMITTEE

Dr.Harshaji Rao  
Dr. Vinayak K V

### OT COMMITTEE

Dr.Akhil Gupta  
Dr. Pavan Kumar N  
Dr. Arshiya Nausheen

## REGISTRATION FEES

| DESIGNATION                                                                  | EARLY BIRD* | LATE    |
|------------------------------------------------------------------------------|-------------|---------|
| <b>FELLOWSHIP</b><br>(includes (Fellowship exams + ISCP lifetime membership) | ₹20,000     | ₹22,000 |
| <b>CONSULTANT</b>                                                            | ₹8,000      | ₹10,000 |
| <b>POSTGRADUATE</b>                                                          | ₹4,000      | ₹5,000  |

\*The Early Bird offer ends on 15<sup>th</sup> September, 2026
