ABOUT ISCP

The International Society of Colo-Proctology (ISCP) is a society of like-minded surgeons practicing colorectal surgery which was formed on 21st October 2012 at Jaipur under the able leadership & guidance of Dr. S. D. Chivate, Dr. Dinesh Jindel, Dr. J. C. Baid, Dr. Pradeep Sharma, with Dr. S. D. Chivate as the President and Dr. Dinesh Shah as Honorary Secretary. This was an organization of surgeons to promote and spread the advancement of Colorectal Surgery throughout India and beyond. Though the number of members were almost negligible, the numbers grew very fast due to continuous hard work of the members and transparency of the association. Covering the entire country, today it has become a force to reckon with spear heading the vast experiences and knowledge each member acquired in his own field, to ultimately share the same with fellow surgeons.
